Changing lives stitch by stitch

# Kenana Knitters

Joyce joined Kenana in 2005, prior to this she had been a stay at home mum, working in the shamba and taking care of her child who was less than 4 months old at the time.

When Joyce came to Kenana she had no experience in knitting or doing any craft work, she was taught how to knit and read patterns while at Kenana. Joyce works well with cotton, and likes to knit Safaris as well as Spider Monkeys and Elephants.

Joyce is a mother 3 children who are in primary school. Her husband is unemployed and at stays at home. She is the sole breadwinner for her family.

*My income from Kenana is what my family depends on. I pay school fees, provide food and shelter with my income. I thank God for this work that Kenana Knitters gives me.*
