# Kenana Knitters

Lucy is one of the first knitters to join Kenana in 1998. When she came she was already experienced in working on tailoring handmade crafts and toys having worked in Nairobi for an expatriate who made and exported a few items. Lucy had basic knowledge of knitting and when she joined Kenana she learnt how to knit using patterns.

Lucy was widowed at a very young age, her husband passed away in 1979, leaving her with 2 young children. She has been the sole provider for her children. She is a grandmother to 5 grandchildren.

Lucy is very meticulous and conscientious with her work, she is a slow and steady worker. She knits lovely Christmas ornaments as well as Spider Elephants. She also weaves carpets.

*I want to thank Paddy and Kenana Knitters. This work has helped me and my children in very many ways. This work that we do at Kenana has enabled me to provide shelter, education, food and clothing for my children. Kenana has also provided me with medical care. I cannot thank you enough, I pray that Kenana will always be able to help women.*
