Changing lives stitch by stitch

Kenana Knitters

Caroline joined Kenana Knitters in 2008, she came looking for a better job having worked as a casual farm labourer for many years. Prior to joining she had asked her neighbour who was a knitter to teach her how to knit so that she could also get work at the knitters.

Caroline is the sole bread winner of her family. She has 2 children with her husband. Her husband does not work or provide for the family.

Caroline knits cotton safari animals, monkey spiders as well as rainbow rabbits. She really enjoys knitting and the time that she spends at the workshop with her fellow knitters.

Kenana has really helped me and my 2 children. I am very thankful for the work that we do here.
