

## Florence Wambui

# Kenana Knitters

Florence joined Kenana in 2017, she was encouraged to join the knitters by her friend and neighbor Susan Wanjiku.

Since she joined, we have seen a remarkable improvement in her work. Florence is able to take on the challenge of working on new patterns when in product development stage. She is a keen knitter and has made many new friends at the workshop. |

Florence is a mother of children. The oldest is 17 years old and the youngest is 7 years old.

*Kenana has really helped me, I have been able to provide for my children and even managed to invest in a chicken project at my home. I am in a much better place than I was, before I joined the knitters.*
