# Kenana Knitters

Peninah joined Kenana in 2008 after working in various casual jobs following the birth of her daughter in 2006.

Peninah learnt about the Kenana Knitters through one of our knitters Hellen Wangui. When Peninah joined Kenana she already knew how to knit having learnt in school, it was very easy for her to learn the patterns.

In November 2017 Peninah was recruited to join the permanent staff at Kenana. She is a wonderful addition to team and has taken on the role of Assistant Stock Records Keeper and visitors guide at the Kenana workshop.

*Kenana is a great place to work, with a friendly and conducive working and learning environment. I am really happy to be a part of this wonderful team.*
