

Esther Lorot

Changing lives stitch by stitch

Kenana Knitters

Esther joined Kenana in 2018, she was introduced to the knitters by her neighbor and friend Joyce Gathoni.

Esther is still learning the ropes and has the makings of a good, steady and reliable knitter.

Esther is a mother to 6 children and her income from the knitters helps to supplement the family budget.

Thank you Kenana for taking me on as a knitter.
