Kenana Knitters

Beth was a stay at home mom before she came to Kenana looking for work in 2006. She knew that there was work to be found at Kenana and decided to come and try her luck.

Since she joined the knitters, her work has always been exemplary, she works extremely well with cotton patterns and is a fairly fast knitter.

I came to Kenana Knitters because I wanted work. Kenana has given me work for the last 12 years. My husband and I are able to meet our family needs without worry. Kenana has given me financial security that I didn't have.
