# Kenana Knitters

Purity is one of the original knitters, having started working in the year 2000. When she came her first child was only 2 months old. Her daughter has now completed secondary school.

Purity is our Knitters Record Kepeer, she is responsible to tracking and recording all work done by the knitters.

*My work at Kenana has enabled me to educate my 2 daughters as well as make an investment in land where my husband and I have built a permanent family home. I am grateful for the opportunity that Paddy gave me.*
