# Kenana Knitters

Hellen was 22 years when she joined Kenana Knitters in 2005. She was looking for work that would enable her to care for her daughter who was 2 years at the time as well as provide her with a decent wage.

Hellen is a very proficient knitter who makes beautiful spider giraffes and monkeys as well as rainbow rabbits. She is capable of taking on new challenging patterns and producing good work. .

She is now a mother of 4 and together with her husband they are able to provide comfortably for their family.

*Thank you Kenana for the work and opportunity that you have given me.*
