

Rosemary Wambui

Kenana Knitters

Rosemary is one of our newer members having joined Kenana in 2017. Her older sister Lydia and niece Joyce have been working with Kenana for over 12 years.

Rosemary is a happy soul, she is a mother of 4 children whose age range is between 6 -20 years old.

I wanted to join Kenana because my sister, my niece and other ladies around me were all working at Kenana and I could see that they were very happy with the work. Now that I have joined the Knitters I am busy doing my knitting work. I have money for my day to day needs as well as for my children. I am so happy that I finally joined. I am a very proud member of Kenana Knitters.
